**EASTERN DISTRICT OF NORTH CAROLINA**  
**SOUTHERN DIVISION**

**U.S.A. vs. Randolph White, Jr.**

**Docket No. 7:10-CR-30-4F**

**Petition for Action on Supervised Release**

COMES NOW Michael W. Dilda, probation officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Randolph White, Jr., who, upon an earlier plea of guilty to Conspiracy to Distribute and Possess With Intent to Distribute a Quantity of Cocaine, was sentenced by the Honorable James C. Fox, Senior U.S. District Judge, on November 9, 2010, to the custody of the Bureau of Prisons for a term of 33 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for 6 years under the standard conditions adopted by the court and the following additional conditions:

1. The defendant shall participate as directed in a program approved by the probation office for the treatment of narcotic addiction, drug dependency, or alcohol dependency which will include urinalysis testing or other drug detection measures and may require residence or participation in a residential treatment facility.
2. The defendant shall consent to a warrantless search by a United States Probation Officer or, at the request of the probation officer, any other law enforcement officer, of the defendant's person and premises, including any vehicle, to determine compliance with the conditions of this judgment.
3. The defendant shall cooperate in the collection of DNA as directed by the probation officer.

Randolph White, Jr. was released from custody on March 14, 2012, at which time the term of supervised release commenced.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:**

Urine specimens collected from the defendant on January 29, 2013, and March 1, 2013, were each positive for cocaine. When this officer confronted White about illicit drug use, he admitted that he used cocaine on January 28, 2013, but did not recall any illicit drug use in March 2013. As a sanction for this violation conduct, service of 5 days in jail and participation in the DROPS Program (to begin in the second use level) is recommended, along with the return to substance abuse treatment.

The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

The defendant shall begin the DROPS Program in the second use level.

Except as herein modified, the judgment shall remain in full force and effect.
